EDITORIAL

2015 will be well under way by the time you read this. Aren't you sick of it too? Christ, we are. It's not enough that it's cold, it's that they decide to launch election campaigns as well. So it's cold but with added fucking Farage et al. Ugh. We'd advise you to forget all about the outside world and vote with your veiny bangstick for *Club*. A stack of sweet, sweet girls, some new, some familiar. A handful of dirty stories, some reviews, some scruff. We're the port for this storm, believe us...

Dear Club,

My wife Gail is almost 10 years younger than I am, but we have been very happily married for eight years. Over the past few years we have kept our sex life fresh and exciting by swinging.

Gail is a voluptuous blonde with shapely legs, firm titties and big blue eyes, and we've never found any difficulty in finding her extremely enthusiastic partners! We made our first contact on the Internet via one of the numerous swinging sites, submitting our ad in the couples section.

Over time, I began to participate less, increasingly preferring to take a more voyeuristic role in proceedings, and, as Gail became more confident with time, she began to fantasise about having intercourse with a black man. She was fascinated by the idea that black guys are meant to be far better hung than anyone else; even just the thought

of the stark contrast in skin colour captured her imagination and set her going.

Her dream finally came true last Saturday night, which is why I am writing! We had arranged to visit a couple that we had been with just the week before. Our hosts, Tom and Wendy, had phoned earlier to enquire if we would mind if a close friend of Wendy's joined us. We agreed, and on reaching their house were delighted when Jack turned out to be a rather tall, well-built black man.

It transpired that Jack had been a favourite swinging partner of Wendy's for some time as she had a particular preference for young black men. Tom, like myself, is several years older than his wife and has more or less stopped participating in swinging himself, leaving Wendy to take care of all the physical action on her own.

Wendy introduced us to Jack and I overheard her remarking to Gail that tonight

she was going to have the biggest, hottest cock of her life. Jack shook hands with me, and, confessing frankly how much he liked Gail's looks, asked my permission to fuck her. I looked at Gail's face and could see that she was well up for it, so I nodded my consent... and Jack lost no time in removing his clothing, while Wendy and Gail followed suit.

Jack sat on the sofa next to Wendy, who was stroking his balls. I stood in the doorway mesmerised, looking on as my wife went on her knees in front of him and took the largest cock I have ever seen in both hands. It was at least 10 inches long and very hard and fat. The head was purple, and a drop of pre-cum was already leaking from the swollen helmet.

Gail began to lick it from top to bottom, taking the swollen bell-end into her mouth and slurping and sucking for all she was worth, while Jack kissed Wendy and played with her breasts, teasing and tweaking her nipples with his strong black hands. I watched in amazement as Gail attempted to take Jack's full length into her mouth, gobbling and guzzling his weapon as if she were attempting to swallow it whole, she deep-throated his enormous engorged member, her cheeks bulging with cock as her mouth worked diligently to pleasure him. Jack groaned as he struggled to deny his climax, pushing Gail gently back.

He stood up, his huge member rigid, and, laying Gail on the carpet he crouched and spread her legs, his cock poised above the soaking entrance to her pussy. Slowly he began entering her, pausing every inch or so as if to savour the feeling and gauge her reactions. Gail's eyes and mouth were wide open – a look of sheer bliss on her face as she bucked and writhed, her hips pushing up to meet his thrusting groin, striving to further impale her cunt on his out-sized dark rod.

He pushed that monstrous cock all the way inside her, fucking her with a practiced rhythm. Gail stretched her legs around his waist, picking up his rhythm, and pumping for all she was worth. It wasn't long before she climaxed hard – her legs gripping his torso tighter as she yelled in ecstasy. Jack paused, allowing her to enjoy the moment before taking up where he'd left off – pounding away at her pussy furiously, riding her expertly.

His skill and experience made her orgasm twice more before he slowly and deliberately sank his cock hard into her very core, his

GREEN LIGHT!

Dear Club,

Congratulations on negotiating a transfer for the delightful Emma Green from your sister magazine *Mayfair*. The resulting photoset is simply excellent, though it has to be said that anything less would have suggested sheer incompetence, given this model's abundant, natural charms.

If nothing else, her appearance in *Club* certainly trumps the numerous plastic-boob models and that can only represent a vote for

quality, rather than quantity. More, please!
P.R. Thompson, Luton

We're as delighted as yourself that Emma finally appeared in Club. We've enjoyed seeing her in Mayfair as well, but it was only very recently that the charming Miss Green overcame her reticence about doing what we in the business call 'open leg shots' which, pardon the pun, opened up the chance of her appearing in Club!

PRIYA ENGAGEMENT!

Dear Club,

Dani as a nurse and my favourite porn star, Priya, both in the same issue. What are you trying to do to my cock? I ended up buying a second copy of this issue as I managed to ruin the first one on the same day, with the added bonus of those Sasha pics in Peaches. I'm going to have to be more careful with my aim from now on!

Brett, Lancs

As the Editor, I'd of course be delighted if each reader bought multiple copies! If your aim is a bit awry, you can always go to the laminators, although we've yet to actually meet anyone who has gone to those lengths!

muscular back tensing as he splashed deep inside her, filling her with his cum. Gail came off a fourth time simultaneously, her pussy visibly gripping his rod, as, in a series of jerking movements, she gritted her teeth and clenched her spasming vaginal muscles – systematically milking his cock of every last drop of his semen.

Having satisfied her, he excused himself, remarking that he ought "to see to" Wendy. I was pretty aghast at his stamina! While he did Wendy, Gail back sat up on the couch, after smoking a post-coital cigarette, she at last beckoned me over.

I knelt in the same position as Gail had been in when she sucked Jack's cock earlier. Looking at her drenched quim, I began licking her, savouring her juices, which were mingled with Jack's cum – licking it up as it oozed from between her hot fanny lips – a delicious treat!

Let's get it started right...

Putting together an issue after a long Xmas break and the over-indulgence of New Year's Eve is always a tough one. But there's no better way to blow away than the cobwebs than by lining up a four alarm scorcher of a hottie as your opening salvo in a new issue.

Jelena Jensen pretty much wrote the book on

being an independent adult web entrepreneur, but she's never too busy to pose for *Club* when we come calling.

"You're my favourite mag," she gushes. When asked if she says that to all the mags, she just winks knowingly. We're not sure if that's a yes or a no. Either way, it's 2015 and Jelena is looking mighty fine. What else do you need? ♠

club's ROUGH GUIDE

It's February and the balls temporarily change shape, but that's enough about Matt Loxham's bizarre physiology. As we keep having to tell him – this feature is supposed to be about sport...

Six Nations Rugby

Various Venues – February
7th to March 21st

2015 is going to be a massive year for rugby union, the game for gentleman hooligans with odd-shaped balls – although I don't think that's still in the selection criteria. England and Cardiff host the World Cup in September and October, and a decent showing in the Six Nations will be essential if Stuart Lancaster's men are to build those all-important confidence levels going into the big global shindig.

Preparations to date have been encouraging if not exactly perfect. A gritty win over Australia alongside narrow yet error-strewn and laboured defeats to New Zealand and South Africa respectively in the Autumn Internationals last year suggest that whilst England can

undoubtedly compete with the world's best they might lack the on-field savvy and creativity to consistently get results rather than run out plucky losers.

Without the Southern Hemisphere teams on board, the Six Nations is naturally perceived as a weaker tournament than the World Cup, but happily for England this year's running looks likely to pose some very tough tests. Ireland, for example, defeated both Australia and South Africa in the Autumn Internationals, France also edged out the Aussies and Wales the Springboks, and Scotland prevailed over Argentina before running the All Blacks close.

The implication, and indeed motivational factor, is that England will have to improve enormously on their showings in the Autumn Internationals even to wrestle the Six Nations championship from a quality opposition, and if they have any designs at all on winning the Grand Slam for the first time since 2003 then that improvement will have to be even

more considerable – but can they rise to the challenge?

Signs that they can come in the form of talented young fly-half George Ford, with his accurate kicking and tenacity in defence putting him above the more experienced Owen Farrell in the England pecking order. Gloucester winger Jonny May showed pace and power when running in a couple of tries in the Autumn Internationals. Winger Samson, and Big Ben Morgan raw strength when doing the same against the Aussies. Furthermore the return to form of scrum half Ben Youngs has provided Stuart Lancaster's side with a much needed fillip. Whether they can develop the class and tenacity required to overcome the likes of the All Blacks and South Africa by September is as yet unconfirmed, but the Six Nations will provide the perfect signpost.

Super Bowl XLIX

University of Phoenix
Stadium – February 1st

After a thrilling season of action on the gridiron it's time for the massive bastard of a finale, and needless to say no sport does massive bastard makes quite like American Football and its governing body, the National Football League (NFL). Boasting an armchair audience of well over a hundred million viewers in the US alone, the Super Bowl is an event of huge national

proportions – and portions. Indeed, the only occasion when more food is consumed is Thanksgiving Day, perhaps no surprise considering that fans have to keep themselves fuelled through the some four-hour spectacular.

Not that this means four hours of solid match action of course. Technically speaking an American Football game lasts just 60 minutes and boffins have suggested the ball is only actually in play for around 15 of these. Indeed, in many ways the many breaks are bigger business than the contest itself. Advertisers wanting to capitalise on the huge Super Bowl audience will fork out a reported four million dollars for a thirty second spot, Katy Perry will headline this year's Half-Time Show, sponsored by Pepsi, of course, and typically more people have tuned in to watch that than events on the field.

Those flicking over just to watch the latest Budweiser ad and see Perry belt out some hits could be missing a classic if the

including hard-working stars such as C.J. Anderson. C.J., perhaps, because his first names are Cortelle Javon.

I make no apologies for focusing on the really big stars, the men who provide the fireworks, because that's what the Super Bowl is shamelessly all about. That, loads of snazzy ads, binge eating and Katy Perry, who will no doubt create some fireworks of her own. Who knows, she might even have a wardrobe malfunction similar to Janet Jackson in 2004. Although surely the NFL doesn't need anything else to detract from the on-field action.

Union Cycliste International (UCI) Track Cycling World Championships

Saint-Quentin-en-Yvelines - February 18th to 22nd

Track cycling was one of the big showpiece events of the 2012 London Olympics. Enthusiastic and passionate crowds raised the roof back then when roaring on the likes of Sir Chris Hoy and Victoria Pendleton to medal-winning performances, but over two years on and with Hoy and Pendleton now out of the saddle, has the British love-in with the sport begun to wane?

Bearing in mind that the finals

night for the recent stage on the UCI World Cup circuit, held at the Olympic, or what is now called the Lee Valley velodrome, sold out in just a few weeks, the public's interest in pedal-pushers is still very much alive and well, with the likes of Jason Kenny and Laura Trott, who both bagged a couple of golds at the Olympics, and Jo Rowsell and Ed Clancy, who each won a single gold, quickly becoming the new fan darlings. The return of one Sir Bradley Wiggins to the track has stimulated further interest, although exactly how his

held at a brand spanking new velodrome on the outskirts of Paris – where the current British crop are expected to excel. In the sprint contest Jason Kenny should renew his rivalry with nippy Aussie Matthew Glaetzer, and the Bolton-born bikesman is also set to compete in the keirin or 'bicycle race', a bizarre affair which involves a funny little moped that paces riders for a frantic high-speed finish. Kenny is also a central part of the British sprint team, who will battle it out with Germany and New Zealand for the medals in France.

“Americans wanting to capitalise on the huge Super Bowl audience will fork out a reported four million dollars for a thirty second ad...”

preparations will shape up for his designs on the 2016 Olympics in Rio are as yet unclear.

Back to the present, however, and the UCI World Championships – set to be

Leading lady Laura Trott is also set for a hectic World Championships, competing in the Omnium – which itself involves six races of varying distances over two days – and in the highly successful women's Team Pursuit alongside Jo Rowsell. Clancy is slated for the exact same programme as Trott, albeit in the men's disciplines of course. Medals aplenty are anticipated from these riders and a wider team that includes other stars such as classy sprinters Becky James and Jessica Varnish. Expect top-notch racing and a fever pitch atmosphere as cycling returns to the Olympic velodrome. ♣

regular season was anything to go by. The Arizona Cardinals, whose 72,000 capacity University of Phoenix Stadium will host the Super Bowl, blazed a trail throughout 2014, with rapidly improving quarterback Carson Palmer propelling pinpoint passes to exciting young wide-receivers such as the rather unspectacularly named John Brown.

The consistently successful New England Patriots and their now legendary thrower Tom Brady enjoyed yet another outstanding campaign under the astute leadership of long-serving coach Bill Belichick, and the Green Bay Packers continued their rise to prominence powered by a mercurial pass-maker who has been compared to Brady, Aaron Rodgers. To complete the quarterback love-in, Peyton Manning helped steer the Denver Broncos through yet another superb season, ably supported by a gritty running offense

The delectable Natalia has rarely looked as classy as in these pics, all got up in white lace and looking as demure as it's possible to be in the pages of *Club International*.

Nokia Lumia 735

www.microsoft.com

We're used to reviewing phones by taking into account the latest screens, apps and processors, but often that's ignoring what most people use phones for. And that's not making calls. This affordable effort from Nokia has cameras on both sides, so taking a selfie is simplicity itself. And as selfies are one of the biggest drivers of phone data traffic, that's no joke. It's a garish phone, suited to younger people, and while the apps are just okay, at this price point you don't expect all the bells and whistles.

Pros: 5mp front camera.

Cons: At this price, mere quibbles.

Amazon Kindle Voyage

www.amazon.co.uk

Kindles keep making incremental improvements, and they're mostly to do with making the reading experience as simple and seamless as possible, and without screwing your eyes up.

The Voyage has a brilliant light sensor that reacts to your surroundings, providing more or less light as you need it. Which is great, but compared to a standard Kindle you seem to be paying about £100 extra for that feature. There doesn't seem to be much else included for that extra ton: if you can afford the best e-reader, this is it, but it's definitely a luxury item at this price.

Pros: Light sensor works brilliantly.

Cons: Too expensive. ☹

Motorola Moto 360 Smartwatch

www.moto360.motorola.com

We're starting to see a lot of smart watches at Kit Bag Towers, and while we remain slightly sceptical at the moment, we realise there'll come a moment when they crack the formula and the tech and they become brilliant. After all, that's what happened with most technology. It helps that the Moto 360 actually looks presentable, and they've got a lot of features in a not too large watch. Functions are good, but the battery isn't, and you'll be recharging it constantly. Maybe the time for a smartwatch is not quite yet.

Pros: Aesthetically pleasing.

Cons: Recharging, inessential.

As Cara is making her debut in *Club*, we thought it would be the polite thing to do to call her up and see what she had to say for herself. We're glad we did...

"Oh my god, I can't wait to see myself with all those other girls," she said. "I'm going to put an afternoon aside and have a massive wank with my biggest, thickest, longest dildoes. Tell your readers to write to me with their filthiest, rudest fantasies. I'm going to hold their letter with one hand while the other plays with my clit until I cum all over the letter."

Well said. Any resolutions for 2015?

Sadly, there isn't a hint of Peter Sellers being racist in a 70's fashion in this feature from Wicked. What there is is a tight-knit cast – just the three girls

– a plot that left us colder than a witch's tit and the lovely Samantha Saint. So, yeah, you can probably get off to it. She's joined on tit duties by Brandi Love and Kendra Lust, which is fine by us. But three girls? Is the recession biting?... ★★★

Fucked & Disorderly

(Harmony)

Strangelove helms this cop-fuelled feature from Harmony and while it might not have the laughs of *A Touch of Cloth* or the satire of *Babylon*, it does have more tits, fannies and bums than both of those combined. WHAT'S SHE LIKE? Passionate

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

To let your horny readers know about
my new career...

WHICH IS?

Well, I've left Italy to come to the UK as
your porn industry is a lot better than
ours. I've already done quite a few
scenes, and I'm planning more.

AND THEN A CRACK AT THE STATES?

I think so. There are so many
people I want to work with
in the UK, but I have my eye
on a few US studs as well!

FEATURE STUFF OR GONZO?

I think gonzo. I really
can't act, but then no
porn stars can! I just
like to get straight
down to the action,
whether it's a
blowjob, a fuck or
some nice deep
anal. I don't want
to spend all day
in make-up and
learning lines. I just
want to fuck!" ♣

GLOBE THEATRE

**All the world's
a stage, and
sometimes famous
ladies get their
norks out on it...**

With a mum like Jane Birkin, it's no surprise that Charlotte Gainsbourg is gamine and beautiful. And with a dad like Serge Gainsbourg, it's also unsurprising that she has something a bit weird about her. Never mind though, because Charlotte is sexy, talented and prone to getting all nude in films. She's been at it since the late 80's, and pushed it even further in 2009's *Antichrist*. But it's in Lars Von Trier's perverted *Nymphomaniac Vol. 2* that her starkers career reaches its apogee. In the director's cut there's even footage of an interracial DP – although that's supposed to be a body double and CGI. It doesn't matter, there's still lots and lots of Charlotte to lust over. ♣

DESIGNS ON YOU!

Hey baby. I'm a graphic designer at a web agency, and I work in the funky basement office. You can probably tell from looking at me that I flirt with the guys all day long, and come home-time, I'm gagging to have my pussy filled. Sometimes, I'll put on some sexy underwear, like a pink suspender set, underneath my suit, just to add that little bit of spice to the day. I'm not stupid enough to fuck anybody I have to sit across a desk from month after month, but this office has certainly seen its fair share of sexual tension! Will you please come and help me relieve it?

It's 8 o'clock, and everyone's left the office. God, it's worse in the summer, everyone goes berserk over the flesh on display outside at lunchtime, and is panting all the way through the afternoon. I'm dressed up, and waiting for you, draped over the chair as I hear you walking down the metal staircase. The chair is pink and fluffy, and the tickling of the soft fabric as I lay, legs apart, draped over it, is making me wet. My firm titties are spilling out over the top of my pink basque, I have one leg over each arm of the chair, and one hand grasping the back of it. With the other hand, I stroke my pussy through my flimsy black knickers as you walk towards me.

You reach the bottom of the stairs and your

eyes flick over my prone form, resting for a while on the damp, gauzy patch in my knickers. Unbuttoning your fly, you approach me, dick bobbing in the air as you walk, until your crotch is level with my face. I'm still touching myself through my panties, lightly flicking a nail across my clit as I poke the tip of my tongue out from between my lips. It sticks out, pink and wet, before I slowly and sensuously run it around my lipstick-stained mouth, then blow you a kiss.

Taking your cock in your hand, you use the other to grab the back of my head, entangling your fingers in my tresses and pulling my face towards your cock. You rub your fat helmet around my coloured mouth, covering your purple crown with a shiny smear, before widening your circling to deliberately smear my chin and cheeks with lipstick. You like the slutty look, huh? Good, I like that, too. Your prick's butting against my sealed lips now, seeking entrance. I keep them closed with a

“

My cunt hovers a couple of inches above you, so you can smell the fragrance of my arousal”

little smile, but I'm just playing.

I open my lips a little to lick them again, and flick my tongue across the end of your cock as I do so, tasting the salty tear leaking from your Jap's eye. Placing my soft, pursed lips over the end of your crown, I flick my tongue backwards and forwards within the flesh-encased area I have created, making you shiver. As I lap at your cock-head, I'm still playing with my pussy, slipping my finger underneath the gusset of my knickers to properly appreciate the wetness of my slit. I gently explore my moist, fleshy folds, stroking my hairless pussy lips delicately as my tongue squirms around on your cock, your helmet shiny as it pulses with pleasure.

“I want to taste how wet you are,” you say, before taking hold of my arms and pulling me off the chair. You tear my basque off me, leaving my stockings, and lie on the floor on your back, erection straining against your belly, and tell me to come sit

on your face. I straddle your head, facing your cock, so my dripping pussy is inches from you. My cunt hovers a couple of inches above you, so you can smell the fragrance of my arousal, and see everything; my clit peeping out from my hood, and the gleaming, deep pink entrance to my pussy, framed by delicate pink lips, with shiny lines of girl juice strung over the whole ensemble.

I lean over and start to tickle your balls with my tongue, exposing the dusky dot of my arsehole. As hairless as my pussy, the knot of muscle sits quivering between my smooth cheeks, exactly at eye level. You feast your eyes upon the entire spectacle before you for a second, before diving in, your tongue delving deep into my cunt. There is a moment of resistance before your tongue breaks through, sliding along my soft flesh and tasting my creamy depths.

Lifting my head up for a minute, I groan my appreciation, before sinking down onto your

cock, taking all of its length in my mouth in one go. This position allows me to get that extra inch further down your prick; I take in as much as I can, so I feel I'm inhaling cock, then tilt my head forwards, and it slides in that extra glorious inch, clicking into place – a perfect fit. I love the feel of being stuffed so full of cock that I can hardly breathe, and move my head around slightly, so I massage your swollen member with the soft flesh in my throat, as my pussy pulses gently around your tongue.

You lick my slippery pussy walls with the tip of your tongue, before retracting your tongue a little, coming back out to dance round the entrance, flicking from side to side. I come back up your cock, wet lips firmly encircling you all the way back up to your helmet, past the ridge and right up to the eye again, sucking as I go so I come off the other end with a loud 'schlurp'. Moving in wide circles around my clitoris, your tongue causes sparks of pleasure to coarse through my sex, before you pull my pussy lips further apart with two fingers, and gently lick up and down across my actual button, keeping your tongue beautifully broad and relaxed.

I lick my hand and wrap it around your shaft, swirling my tongue around your crown, licking around the rim, kissing the frenum, my tongue darting into your Jap's eye. Your fingers have

joined in on the act now, sliding one finger into my aching hole, as you enjoy the feel of my pussy clinging to your finger, hugging you wetly as you massage my hot hole. My other hand is gently fondling your balls as I wank your shaft, my head bobbing down on each upward stroke so my lips meet my fingers and your whole length feels encased. Spit-soaked fingers can feel every vein in your shaft as I slide up and down it – I can even feel the blood pumping inside you.

You slide another finger inside me and shove them in and out as you circle my clit, my button prominent on your tongue. My pussy's pulsating in your mouth as you fuck me with your fingers, my orgasm's getting closer, then you pull your fingers out, my juices dripping on your face, and explore my arsehole, pulling my cheeks apart with both hands for a good look before running your juice-soaked fingers along my crevice. You stroke the puckered flesh with your fingers as I deepthroat you once more, cock clicking onto place like it did before, and you pause from licking my clit briefly to look down, watch my tits dangling and my reddened face engulfing your cock.

I'm close to cumming, you're flicking over my clit again, and I grind my pussy into your face as I deepthroat you, covering your mouth, nose and chin with my sticky secretions and bucking my hips so that I'm smothering you with my pussy. Your fingers claw at my arsehole as I ride your face, hugging your cock in my throat, and you thrust your tongue deep inside my cunt again. It's trembling with pleasure, and you ram your muscle in and out of me while I smear you with my juices, finger circling round my asshole but not quite going inside, stimulating the sensitive entrance.

Our bodies are locked together in a sweaty mass, when I feel the prick rammed down my throat stiffen. Your tongue's in my pussy and you can hardly breathe as you erupt deep in my throat, your cock twitching in my mouth, so deep I can't taste anything, I can just feel the hot jets of spunk lashing against my throat, spurt after spurt, and trickling down into my tummy.

As you unleash your creamy torrents inside me, you surprise me, and thrust a slippery

“

My pussy's pulsating in your mouth as you fuck me with your fingers, my orgasm's getting closer, juices dripping”

finger into my bum. I squeal onto your cock, still twitching in my mouth, and grind my clit against your lower lip and chin until your tongue snakes out of my pussy and remains sticking out from between your lips. I have a set of three ridges to grind myself against, thrusting myself down onto your cum-covered face as you lap at my clit, thumb pushing further and further into my behind.

I cum with a wail, your cock still in my throat, my pussy beating out its rhythm of pleasure on your face, pulsing over your lips. Surges of electric ecstasy wash through my body and I gyrate onto your face in time with them, cum dribbling down onto your face, until my orgasm subsides, and I collapse on top of your body.

Fuck knows how we managed to do it, but our writhings have sprayed the contents of the 'in' tray all over the floor, including over us. The sweat-drenched sales figures papers should be fun to explain tomorrow!

Stephanie, Stoke

CUMMING CLEAN

My husband is a regular *Club* reader and since I discovered his collection so am I! I look forward to the days when I find the next issue at the top of his 'secret' stash (honestly boys, as if your wife isn't going to look under the bed!). And once I've got my mitts on it I feed my pussy a fist full of my fingers thinking

“I got on my knees and gently took his prick in both hands, licking up and down his hard length”

about your gorgeous girls. I get wet and dirty reading other girls' filthy secrets, but as much as I love them I always climax on my very own story. What pushed me most to tell you all about it is the thought of my husband secretly wanking over this story with no idea it's about me! I've always been very flirty with guys and didn't intend to stop that after saying 'I do'. But I never in my wildest fantasies thought I'd be having the best sex of my life with someone other than my hubby!

It all started when we moved into our new home, miles away from friends and family. I soon found my days a bit empty and dull and with Tom out a lot either working away or following Chelsea FC, I decided to go out and find some fun for myself. Whacking on the tunes I washed my auburn locks and prepped up my still sexy body for some TLC. Slipping into my pre-Mrs little black dress I looked pretty darn good. Far too good to be stuck at home baking pies and running round with a duster on a Saturday night. As if!

I admired my long, tanned legs in our hallway mirror. Knocking back vodka for some courage I finished off the look with my outrageously expensive, patent black, six-inch heels. Looking this hot I knew I wouldn't have to wait long for some (much needed)

male company. It's funny how a tall, red-haired twenty-something can stop a man in his tracks, and that's exactly what I did. As soon as I entered the local pub I realised I was a bit overdressed, but the guys at the bar didn't seem to mind, and with the vodka kicking in I worked the room.

Within seconds I spotted this bloke sitting quietly in his work gear. My heart started to thump under my breasts as if I knew I'd found my Saturday night fuck ticket! He must have been a builder as he was all mucky and wore a pair of those boots with the big bulging toecaps. As I glided over to the bar I felt his eyes all over me. I was gagging for some fun and he looked like the perfect man for the job. Looking up and giving me a smile and a cheeky wink, he offered to buy me a drink and we soon got chatting. To be honest I wasn't really listening to much of what he was saying as my whole body was aching to be touched. His strong working hands cupped his pint but I just wanted them clawing off my clothes.

He smelt of man – the scent of a hard day's work – and as I nodded along to his conversation I felt my pussy gently tingle with excitement in its little pool of juice. After a couple of hours he finally offered to drop me home. I think it was my shrinking dress that did the trick. I'd hitched it so high I might as well have taken the bloody thing off!

Well we soon got to where I wanted to be – my front door. I ran my hands over his stubby, strong face. The softness of my fingers glided over his lips and he knew he had the green light. Opening the door he gingerly stepped in, his muddy boots leaving a trail of dirt on my cream carpet. If Tom had made that mess I'd have had a fit, but with Jay it somehow turned me on and I followed the dirty trail straight into his big, strong workman's arms.

His huge hands grabbed at my arse cheeks and our tongues played in each other's mouths. My heart was now beating though my chest and the excitement made me light-headed. He must have sensed this. In one glorious swoop he swept me off my feet and headed straight to my brand new three-seater sofa. As we fell into the sofa the weight of him pushed me deep into the cushions. I knew at this point it was three grand well spent! His hands wanted to feel each crevice and curve of my body and I surrendered to them gladly.

Lifting up his shirt I unwrapped a body to die for. His perfect muscle-bound chest weighed heavy on my small frame and his

cock dug into my thigh through his dusty jeans. My hand wandered down and found his belt. Unhooking him, I teased myself by slowly unzipping his jeans. As his cock sprang out in a bounce for freedom my eyes widened in shock and unadulterated joy. I knew I'd picked a winner and nine inches of thick dick was my trophy.

A surge of energy I'd never experienced before ripped through my body and I freed myself. I needed to get my panties off and get that cock inside me. Ripping off my dress – what was left of it – I exposed my body. I felt tiny compared to him and desperate to push his cock deep into my cunt. I got on my knees and gently took his prick in both hands, licking up and down his length. As my hands rubbed up and down on him my spit slipped around my wedding ring, but Tom was the last person on my mind right then.

As Jay reached the peak of his erection I crawled up his body. I was so wet by now I wasn't interested in foreplay. Slipping myself down on him, my hands grabbing onto his broad, hairy chest, I gasped louder with each inch that filled me. Horrified that I was going to cum so soon I tried to distract myself by thinking of my messed up carpet and dirty new sofa, but it only made me worse and I spurted out my clear, sweet cum while letting out a loud scream of pleasure.

I bit my lip and gave him a sheepish giggle. He laughed and stood up with my legs wrapped round him. Staring right into my embarrassed eyes he said, 'Let's do you again, and this time give me a chance to join in!' Well that almost gave me seconds on the spot! Sexy and considerate – what more could a woman wish for? I managed to muster some self-control in my over-excited pussy! Pushing me up against the wall and knocking down the picture painted by my mother-in-law he began to pound me like a pneumatic drill.

I'd never been taken like this and as his body slammed into me with each fuck thrust I could feel myself losing control again. Sensing this, he picked up the pace even more and then let out a yell of release as he came, giving me the green light to let loose again. My pussy burst like a broken pipe, spraying juice onto his warm, creamy cock.

Breathless from our bout of bonking, we fell back onto the sofa's soft cushions and into a deep sleep. The next morning he left for work, his cock still sticky from the night before. The only sign of last night was the muddy carpet!

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

FILLING PHOEBE!

I have been attracted to black women ever since I first watched the James Bond film with Grace Jones in it. To this day I get turned on just thinking of her sculpted ebony body gyrating on the bed; Roger Moore locked between her muscular legs. No doubt about it – black women just ooze sexuality and, for a long time, I'd wanted to find one who would live up to my fantasy.

It was a rainy day in Paddington that the opportunity arose. The train was running late as usual, so I went upstairs to the Reef Cafe for a beer. Sitting at the table next to me was a very beautiful black girl – I mean stunning. She was having a pretty nasty altercation with her boyfriend, the nastiness was all on his side. I wondered whether or not I should intervene, but while I was deciding, he got up and stomped off.

The girl was left sobbing quietly to herself and, not being one to miss an opportunity to score, I moved to her table and offered her a tissue. She took it gratefully and I asked her if she would fancy a drink to help steady her nerves. Accepting, she smiled through her tears, and asked if I would mind keeping her company for a while.

I got the girl a brandy and she talked about her relationship; it had been on the rocks for a long time and she was relieved it was finally over. Her most pressing problem was that she didn't want to go back to his flat and had nowhere to stay for the night. Taking her mobile out of her pocket, she said that she was going to phone her friend and ask if she could stay with her.

For a few gut-wrenching minutes I listened to her making the call, in the course of which I learned that her name was Phoebe. To my relief it turned out that her friend had visitors staying over and couldn't accommodate her.

Before she could think of anyone else to phone, I suggested that she come home with me. She accepted hesitantly, so to make her relax and feel safe I gave her my phone number and address, suggesting that she call her friend back and tell her where she was staying for the night.

When we got to the house I helped her out of her coat and got an eyeful of her gorgeous big knockers straining against the fabric of her blouse. My cock

stirred and I had trouble concealing the huge erection that threatened to burst my zipper. We went into the living-room and, seating herself on the sofa, she relaxed while I went into the kitchen to make coffee.

As the kettle was boiling I watched her through the very-slightly-open door... she was indeed making herself comfortable! Her shoes were on the carpet by her feet and she was pinching one of her nipples through her blouse while her other hand had crept up her

She unfastened her blouse and, running her fingertips across the bulge in my trousers with deliciously lecherous intent, she teased my cock through the material. Reaching back, she undid her bra, allowing her big ebony boobs to flop out in all their soft, fleshy glory. Her nipples were already very hard with excitement. I stretched out to feel their plumpness, but Phoebe dodged my hand and moved out of my reach.

Wriggling her skirt down over her thighs, she stood in front of me quite naked except for her hold-up stockings and, turning slowly around, showed off her beautiful, curvaceous bottom. Sensing my unmistakable appreciation, she rose up onto tip-toes and bent slowly forward, pulling her arse-cheeks apart to display even more of her seemingly inexhaustible charm before settling back down on the sofa and beckoning me. "I want your cock here first," she said, running a fingertip along her lower lip.

My tool stuck out like a barber's pole as I

"I grabbed her hips to pull her back onto my cock and my pre-cum drenched bell-end nudged in"

short skirt. More astounding still – supposing that she was unobserved, she was rubbing at her pussy!

I abandoned the coffee and walked in on her, and she quickly whipped her hand back into view, looking caught-out and vulnerable. "No," I said. "Don't stop. That's wonderful." She stammered something about finding me attractive and that she hadn't expected me to come back in so suddenly. I urged her to continue, telling her I had never seen such an erotic spectacle. She smiled shyly, then, eyeing me, recommenced fondling herself.

Feeling hotter and hornier than I could remember, I pulled off my tie – my gaze never leaving the beautiful black girl on my sofa. Divesting herself of her panties, Phoebe continued to probe her dark fleshy gash with her shapely fingers. The contrast between her pussy and that of my previous girlfriend's was an added stimulus to my already high state of arousal. Her fanny lips were dark, while the inside of her pussy was dusky pink and succulent-looking, like an exotic fruit.

climbed onto the sofa and positioned myself with my knees either side of her face. "Fuck my mouth," she instructed, licking her glossy lips and flicking her tongue over my moistening helmet. I manoeuvred my throbbing penis until the tip was resting between her lips, then, slurping greedily, she drew my swollen phallus deep into her mouth.

Excited almost beyond control, I thrust my full length towards the very back of her throat. Filling her mouth with my man-meat, I fucked her face as requested, while she worked her tongue around my wet pole. Not wanting the ecstasy to end, I held myself back, and as she sucked and gobbled I watched her sweet face fellingating my white cock more closely than I've ever watched anything before or since.

It was heavenly... but I was now after something different. Phoebe's promiscuous behaviour thus far had indicated that she might not be adverse to a little botty play. Withdrawing my penis from her mouth, I positioned her on all fours in preparation for the main event.

Fondling and squeezing her soft dark buttocks, I bent over her, my bulging knob threatening her puckered little ring. It wasn't until the swollen tip of my rampant member forced itself between the cheeks of her bum an inch or so too high for vaginal entry that she realised that she was about to be stupendously sodomised.

I grabbed her hips to pull her back onto my cock and my pre-cum-drenched bell-end nudged against the tight wrinkled entrance to her bum-hole. I could feel Phoebe automatically tightening her sphincter against the invader, but a moment later her muscles relaxed, allowing entry, and with one slow thrust I penetrated her anus and her arse was full of prick.

She gasped as I drove my length into her, my testicles bouncing against her bum as I began rogering her with abandon. Though I sensed her surprise, it was plainly not the first

time she'd been taken up the bum, because she didn't make a murmur of complaint.

The moment I had her completely corked she pushed back against my thumping balls willingly, moaning with excitement. I felt a corrupt pleasure stir inside me as she yielded to my throbbing weapon and my semen flooded her in great warm ripples. A cry of

worth. As her orgasm washed over her, I shot my load deep inside, and her strong vaginal muscles gripped my cock, milking every last drop and holding my now-limp dick trapped within her pulsing pussy.

For several minutes we remained locked together, until at last her vaginal muscles finally relaxed and my penis flopped out of

“Sarah pushed back, clearly desperate to get her bottom filled and her little ring gave way”

passion came huskily from deep in her throat as she lay panting on the sofa.

I kissed her passionately for several minutes then, entwined in each other's arms, we slept. I was sated and relaxed, two of my most exciting fantasies finally realised in the company of this stunningly beautiful woman.

I slept deeply, and awoke around two hours later to feel Phoebe's dainty tongue sensuously licking my ball-sac and lapping at my helmet. The sensation was delicious and my cock was already beginning to sway upright.

Moving her hands to my weapon she wrapped her fingers around my shaft, and, cupping my sac, she gently squeezed my testicles as she fondled my swelling joystick. I lapped until I could feel her at the brink of orgasm, then, turning my attention to her clitoris, I began stimulating it with my tongue – licking and lightly nibbling and sucking it. As she came off I could taste her tangy essence as she flooded my mouth with her juices.

Drawing her legs wide apart I stabbed her sopping pussy with my cock, plunging deep into her inviting love-tunnel. Forcing her legs wider, I pushed her knees back, and, as she cried out with lust, I grew harder still. I thrust deeper, driving in and out of her like a battering ram – laying siege to her hole and slamming her dripping black gash for all I was

her. That night was so good, she hasn't left since, so now I can squeeze that delicious black booty every day.

BAR LAID!

I've always been obsessed by anal sex and it took me till I was 22-years-old to do it! Up until then it was just an unfulfilled fantasy of mine. I finally got to fuck Vicky, my sexy next-door neighbour, up the bum, which was probably the best shag I'd ever had, I loved it and desperately wanted to do it again. Through sheer bad luck I had to wait another ten years before I got the chance to fuck another girl in the arse, then this year I meet Sarah.

I'd always been attracted to Sarah, a barmaid who works at my local. Sarah's a gorgeous 23-year-old, leggy, brunette, with a pert pair of tits and an arse to die for, which she'd show off to the max in the tight black trousers she always wears at work. They're so tight she doesn't even wear panties, which makes her bum even more desirable.

We got on well from the start and were constantly flirting, but since Sarah has a boyfriend I thought that would be as far as it went, that was until one lunchtime. We were alone in the pub apart from a few old guys in the corner and I was sitting at the bar. Since

it wasn't very busy Sarah and I got chatting and somehow the conversation turned to sex. After she'd told me what turns her on, which included giving blowjobs, we moved onto mine. I confessed that my biggest one is a woman who loves it up the bum. As I said this she giggled, this threw me at first and I asked why she was laughing. "I love it up the bum!" she said quietly, although she didn't need to since the other people had left, so we were the only ones there.

I didn't believe her, though I was getting hard thinking of her naked bumhole spread and ready for my cock. After a short argument she walked out from behind the bar and stood in front of me, turned round and wiggled her bum and said, "Follow me and I'll prove it."

She walked over to a room with a sign that said 'Staff Only' on the door and beckoned me to follow her, I asked her about costumes and she told me they'd have to wait. So I shrugged my shoulders and followed her in. Once inside she stripped naked within seconds and ordered me to do the same. In no time at all I was naked. Then she got down on her knees and started sucking my cock, taking it deep into her mouth. When she pulled back I could see it was shining with saliva and rock hard.

There was a large desk in the room, which she bent over displaying her peachy little bum in all its glory. Looking over her shoulder at me she said, "Fuck me in the arse. Come on I want to feel your dick inside my bum!" Well, I didn't need asking twice; so moving behind her I gently pushed against her tight bumhole, Sarah pushed back clearly desperate to get her bottom filled and her little ring gave way after a few seconds, then I was right up to my balls. I fucked her arse with gentle deep strokes. This seemed to frustrate her so I changed pace and started fucking her really hard and fast. She started moaning, "Fuck me I'm cumming, I'm cumming," as she rubbed her pussy frantically. I felt her arsehole contract around my cock and I came, shooting what felt like a gallons of spunk up her sexy bum.

When we'd got our breath back, cleaned ourselves up and got dressed, Sarah kissed me on the lips and said, "Fuck, that was good, we should do that again sometime. What do you say?" I just grinned and that's exactly what we've been doing ever since. *Craig, Cumberland* ♦

TEAL 

Earns her stripes...

The last time Teal appeared in these pages, she was just dipping her toe into the world of adult movies. As her CV now includes such timeless cinematic classics as *Deep Throat This 63*, *Cumshot Eruptions 2* and *Super Soaked Sluts*, we're going to assume that's going well...

"I can't complain!" says Teal down the phone. "I get paid to go get my make-up done, hang out with sexy people and then either eat some pussy or suck some dick. If I'd told my school careers officer I planned on doing this, she'd have laughed, as I was so shy. Now I get to cum all day long and go home with a cheque to cash. Oh, and I get to be in *Club* too! I'm winning!" ♣

DOWN THE WIRE

You're Fired!

Amstrad's gonna be bigger than Apple!

Waasohn Senite Dorliae was charged with second-degree assault after repeatedly hitting her boss with a metal plate, after he complained about her tardiness. 25-year-old Dorliae struck her boss around the face and knee leaving superficial wounds after the victim told the

accused she would most likely not have a job tomorrow. Dorliae defended her actions as "discrimination" and "nitpicking" by the victim and now faces a maximum of a seven-year prison term. I think even Sir Alan Sugar would think twice about firing this one.

On Your Bike Son!

33-year-old Gabriel Harris drew Tacos with police early Sunday morning and was booked in at Volusia County Branch Jail for resisting arrest with violence.

Harris and a female companion attempted to purchase food from a Taco Bell drive through, but being on bikes they were refused service and in turn refused to budge. Employees called the police and when officers reached

the scene and asked Harris to leave they spotted a Swiss Army Knife on his belt loop. An officer then attempted to reach the knife and a ruckus broke out. Brawls over burritos, whatever next?

Two fucking Americans, earlier.

Honk if You're Horny!

The Paul Raymond car park!

One couple decided to provide some traffic jam entertainment, the problem being that they caused the traffic jam in the first place. Kelli Knutson, 24, and Logan Jackson, 33, decided they were too wound up after attending a local strip club to wait till they got home to bounce and so went at it in their parked car. Motorists reportedly slowed down to watch the action, which in turn caused the traffic jam. Once on the scene, the police approached the rocking vehicle and knocked on the window, which halted proceedings. The couple were arrested on charges of indecent exposure. Clearly the police haven't heard that when the vehicles rockin', don't come a knockin'.

Cowboys!

You may associate cattle rustling with a bygone age but it's still rife in Southern California as one Cesar Santana attempted to demonstrate. Santana was arrested outside an auto shop on suspicion of calf rustling after a bovine tot was discovered on the back seat of his car. 31-year-old Santana protested that he'd purchased the animal for \$200 at a gas station, but the calf's ear tag had been forcibly removed. The calf is currently with a foster farmer while the owners are traced. I'm sure John Wayne would be laughing in his spur boots. ♣
